RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

In response to the Notification of Missing Requirements mailed February 25, 2008 (copy enclosed), applicants as a small entity submits herewith the following:

- ☒ Payment of the surcharge of \$65 for late filing of the declaration.
- ☒ A Combined Declaration and Power of Attorney in compliance with 37 CFR §§1.63 and 1.497;
- ☒ The required fee in the amount of \$65, being filed concurrently herewith on the Electronic Filing System (EFS) by way of Deposit Account authorization.

SEQUENCE LISTING

The Notification of Missing Requirements stated (at page 2) that a Sequence Listing is required for the present application. However, applicants have carefully reviewed the specification and drawings and could find no sequence disclosure that contained four or more nucleotides or amino acids. According to 37 CFR 1.821(c), "[s]equences with fewer than four specifically defined nucleotides or amino acids are specifically excluded from this section." As a result, applicants respectfully submit that no Sequence Listing is needed and therefore request that the requirement be withdrawn.
